Keep in Touch Slip

Hello,

We have an opportunity to help our community and reach out to our neighbours during this difficult time. If you'd like to help, but don't know how, at the bottom of this letter we have added a small slip which you can print out and cut off, then pop through someone's letter box. We are envisaging this being for one or two of your closest vulnerable neighbours rather than large scale; please don't overreach yourself or take any risks.

If you are vulnerable yourself, or if you have any of the symptoms of the Coronavirus infection, please stay at home and instead reach out to your church family for anything that you need.

Many thanks,

David, Rob and Ben

My phone number is _____

I am happy to pop to the shops, run errands, pick up prescriptions, chat on the phone or help in another way if that's useful to you.

I'm part of Swallownest Baptist Church, if you are interested we are live-streaming our Sunday services on Youtube, just search for us and you'll get straight to our videos.
